Sir:

In response to the Office Action dated July 24, 2007, Applicant herein elects to prosecute Group 1 in the present application. More specifically, Group 1 includes claims 23-34 and 44 drawn to a treatment device for applying electrical impulses to a living body through the skin, for treating a variety of clinical conditions, and a method of treating a living body through the skin.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks begin on page 7 of this paper.
